

## **Corporate Governance Code of Practice for Insurers**

The Insurance & Pensions Authority has released a consultative draft of the Corporate Governance Code of Practice for Insurers. The Code is applicable to all Isle of Man authorised insurers and registered insurance managers as well as permit holders established outside of the EU.

A copy of the draft Code is available for download via the link below. The IPA invites comments on the draft Code by 28th February 2010, though earlier submission would be welcome. The Authority will seek to respond to any comments or questions as soon as is practicable following their receipt.

The Captive Association will also be providing comments to the IPA. Please contact the Association via Jim Hardie on [bgh@manx.net](mailto:bgh@manx.net) if you have any questions regarding the Code or if you wish to provide comments to the IPA via the Association.
